

Becatech

Interconnective Power

**Cable tie
(4.6 x 200)**

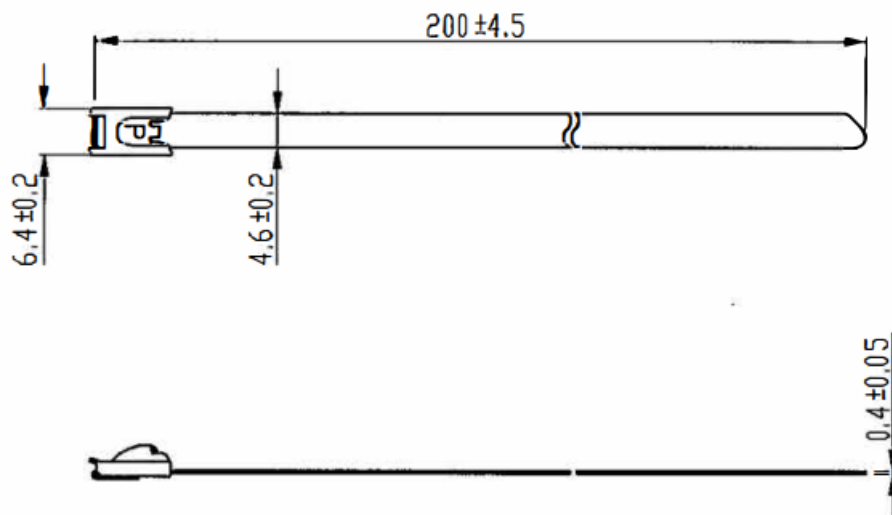

Technical Specification :

Operation temperature: -40°C to 150°C.

Resistance to chemicals: acid and alkali resistant.

Material: 304 stainless steel coated with black epoxy.

Drawing :

Tensile Strength (min). N	Min. Diameter mm	Max. Diameter mm	Length mm	Width mm
710	12.7	56.7	200	4.6
